# NANO STIRRER

Transform Water Molecules With Scientific Proven  
Nano Stirrer Produces Higher Oxygen Level

NANO TECHNOLOGY - IONIZED WATER

# NANO STIRRER

NANO STIRRER will Break up the Water and Oxygen molecular clusters to be SMALL and SOLID, easily absorbed by the body & Far Infra Red causes vibrations with water molecules, ionizes and ACTIVATES water molecules, thus making WATER ENERGY.

## Benefits of MGI Nano Stirrer

1. Helps detoxify and balance the body's pH level
2. Increase blood oxygen and prevent dehydration
3. Promotes blood circulation and the body's metabolic rate
4. Helps to launch bowel movements and digestive problems
5. Prevent tiredness and fatigue, increase concentration
6. Helps dissolve body sugar for diabetics
7. Reduce cholesterol / uric acid levels in 2-4 months
8. Wash your face daily with nano Stir water For a smooth and soft skin texture

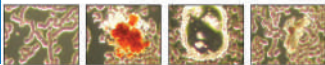

## How to use MGI Nano Stirrer :

- \* For Maximum Results, soak 2 Nano Stirrers with 5 liters water
- \* Nano stirrer and water bottles can be washed once a week
- \* Once the Nano Stirrer water is poured into glass and served, it must be drunk out within 15 minutes, as it will return to a standard molecule unless there is 1 pc Nano Stirrer in it so the water is free to be drink at any time

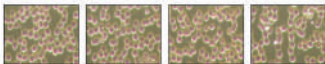

Bahan Nano Stirrer :  
Plastik Food grade ABS, Batu tourmaline,  
Batu germanium, nano perak

Blood condition has been improved after 15 minutes
